

Article 14

Legal measuring instruments that have passed verification shall bear a verification mark “,” the ratio of the lines to the spaces being 1:2.

The mark “  ”shall be affixed to the measuring instruments in any irremovable methods of the following manners or in their combination:

1. Engraving, stamping, spraying, branding or adhering.
2. Seal.

A report of verification result of legal measuring instruments shall be issued by verification agency (institution) after verification.

For legal measuring instruments that meet the requirements of the technical specifications for verification and inspection of measuring instruments, a verification certificate shall be issued after they pass verification. An applicant may also apply for issuance of verification certificates by describing the reason and paying the certificate fee.
