

Article 14

Legal measuring instruments that have passed verification shall bear a verification mark “ $\overline{1}$ ” the ratio of the lines to the spaces being 1:2.

The mark “ $\overline{1}$ ” shall be affixed to the measuring instruments in any irremovable methods of the following manners or in their combination:

1. Engraving, stamping, spraying, branding or adhering.
2. Seal.

The verification agency (institution) shall issue a report of verification result of legal measuring instruments after conducting verification.

For legal measuring instruments that meet the requirements of the technical specifications for verification and inspection of measuring instruments, a verification certificate shall be issued after they pass verification. An applicant may also apply for issuance of verification certificates by describing the reason and paying the certificate fee.
