

Attachment 1

Declaration Form (Sample)

The affiant (the "Affiant"), _____ (Factory Name), hereby applies for qualification verification to recruit foreign labor in the manufacturing industry. The Affiant declares that the machinery and equipment submitted for purchase as part of this application have been used for the manufacturing and processing of goods and is ongoing being used at the time of application. They will be listed in the fixed assets column of the first business tax return (Form 401 or 403), and the aforementioned tax return will be submitted to the Industrial Development Administration, Ministry of Economic Affairs (the "Administration") for reference within three months after receiving the approval letter from the Administration. The information and illustrations (tables) provided in the application documents have been carefully verified by the Affiant. Any omissions or errors shall be the sole legal responsibility of the Affiant. Should any attached documents contain false or untrue information, the Affiant hereby agrees to assume full legal liability. This affidavit is executed as proof thereof.
