Article 4
The fees mentioned in the subparagraphs 1) to 6) of the first paragraph of the preceding Article shall not be
collected for the following commodities:
1.Commodities that are to be used for rescue purpose, accompanied with proper documentation from government
authorities; or
2.Commodities that are to be used for salvaging purpose, accompanied with proper documentation from government
authorities.

Article 5
Accounting its inspection fees by foreign currency, will be lined with the tariff & customs office, to set its
foreign currency exchange rate per 10 days, and then converted into local NT dollars .

Article 6
An applicant shall submit foreign currency exchange certificates or other evidence along with the inspection
application in order for the inspection authority to calculate the relevant inspection fees and rates. If such documents are not submitted along with the inspection application, an applicant is required to do so
within one month.

Article 7
The on-site fees shall be collected in accordance with the following rules for on-site activities performed by
personnel of the inspection authority, such as inspection, sampling, correction or destruction of commodities
under supervision, examination of inspection marks, on-site check, export of commodities that are imported,
sealing of commodities, transportation of commodities under supervision, and other inspection-related business:
1.An NT$500 on-site fee for each person each time, for activities conducted domestically. If the inspector
cannot commute to the place of inspection and back within the same day or has to commute between different
branches, the on-site fees shall be collected in accordance with the costs and expenses set forth in the
“Operating Guidelines Governing Domestic Business Travel Expenses;”
2.The on-site fee for one inspector shall be collected for each batch of commodity being inspected;
3.The on-site fee for one inspector shall be collected from the same applicant if batches of commodities are
stored at the same place and the on-site inspection is conducted at the same time;
4.The on-site fees shall be collected separately from the same applicant if the commodities are

stored in
different places;
5.The on-site fees shall be collected separately for the same applicant if commodities are stored at the same
place but covered by different inspection applications. If on-site inspection is conducted at the same time for
these commodities, the on-site fees shall be collected for one inspector after a declaration is made; or
6.The on-site fees shall be collected separately for different obligatory inspection applicants regardless of
whether the commodities are stored in the same place.
The inspection authority shall collect on-site fees based on the number of inspectors dispatched, if there are
large quantities of commodities and one inspector cannot complete the task in one day.
The inspection authority may not collect on-site fees for any personnel not related to the inspection.
If the inspection authority approves withdrawal of the on-site inspection application made by an applicant, it
shall return the on-site fees.
On-site fees shall not be collected if the inspection authority has offices stationed in the harbour storehouses
to accept inspection applications and conduct on-site activities.

Article 8
Upon request by an applicant, the inspection authority shall add up the collection of fees in accordance with
the following rules, if relevant activities are conducted over an extended time. This does not apply to the
acceptance of documents or those services announced by the BSMI to have 24-hour service available.
1.The extended operational hours during a weekday are from 6:00 AM to 8:30 AM or from 5:30 PM to 10:00 PM. An

1.For commodities to be imported or exported, the BSMI shall determine the market price by referring to the
declared import or export prices, the export prices certified by a designated foreign exchange bank and the
wholesale market prices;
2.For domestically manufactured commodities, the BSMI shall suggest proposed market prices by referring to their
wholesale market prices and obtain approval from the competent authority before announcement. When prices are to
be adjusted, the same procedure shall apply.
If a market price is not decided in accordance with the preceding paragraph to determine the inspection fee, the
inspection fee shall be calculated based on the following prices:
1.The FOB of commodities to be exported;
2.The CIF or prices without customs duties of commodities to be imported; or
3.The retail prices of domestically manufactured commodities, before tax.
The inspection fees for batch-by-batch inspection and monitoring inspection shall be collected in accordance with
the inspection fee rates and the minimum inspection fees as prescribed in Annex I, based on the

prices mentioned
in the preceding two paragraphs.
Commodities that are to be imported in bulk, under the same shipment, item name, and with the same specifications,
that are not easily separated for sampling will be treated as one batch and the fees will be collected accordingly.
