Those who have performed trademark examination work for five years or more at the trademark competent authority, have proof of satisfactory performance, and have obtained Junior</p>

Grade 7 rank

prior to the implementation of this Act may assume the responsibility of a trademark examiner.

Article 5

Qualification of an assistant trademark examiner shall be in compliance with the requirements prescribed in Article 9 of the Civil Service Employment Act and include Junior Grade 6 rank.

Article 6

Trademark examiners having performed trademark examination work at the trademark examination competent authority prior to the implementation of this Act may have their years of seniority cumulated as trademark examiner seniority if such seniority exceeds five years or more. Assistant trademark examiners having performed trademark examination work at the trademark examination competent authority prior to the implementation of this Act may have their years of seniority cumulated as assistant trademark examiner seniority.

Article 7

Having met the professional training requirements as referred to in this Act shall mean the successful completion of senior trademark examiner or trademark examiner professional training conducted by trademark competent authority, along with the obtaining of a certificate. The training referred to in the preceding paragraph shall not replace the rank promotion training conducted by the Examination Yuan.

Article 8

This Act shall be implemented as of the date of promulgation.
