Examiners,  
Assistant Patent Examiners and Assistant Trademark Examiners as mentioned in the  
preceding  
Paragraph shall be selected and appointed to individuals that fulfill the respective  
qualification  
requirements as set out in the Patent Examination Officer Qualification Statute and  
Trademark  
Examination Officer Qualification Statute.

#### Article 8

The Office shall have a Personnel Division headed by one Head of Division whose  
ranking shall be  
from Grade 9 of Recommended Appointment Official through Grade 10 of Selected  
Appointment  
Official. This Division shall handle the matters related to the personnel management.  
Other working  
personnel required by this Division may be appointed according to the quota of  
appropriate  
personnel as specified in this Statute.

#### Article 9

The Office shall have an Accounting Division headed by one Head of Division whose  
ranking shall  
be from Grade 9 of Recommended Appointment Official through Grade 10 of Selected  
Appointment  
Official. This Division shall handle the matters related to annual accounting, routine  
accounting and  
statistic operations. Other working personnel required by this Division may be appointed  
according  
to the quota of appropriate personnel as specified in this Statute.

#### Article 10

The Office shall have an Anti-Corruption Division headed by one Head of Division  
whose ranking  
shall be from Grade 9 of Recommended Appointment Official through Grade 10 of  
Selected

Appointment Official. This Division shall handle the matters related to prevention of corruptive conduct of the government employees of this Office. Other working personnel required by this Division may be appointed according to the quota of appropriate personnel as specified in this Statute.

#### Article 11

The Office shall have an Integrated Circuit Layout Assessment and Mediation Committee and a

Copyright Examination and Mediation Committee to handle the matters specified in Article 36 of

the Integrated Circuit Layout Protection Act and in Article 82 of the Copyright Law respectively.

The members of the two Committees set forth in the preceding Paragraph shall be retained or

engaged for part-time position by the Director-General of the Office from the representatives of

relevant government authorities, scholars and/or experts in the related fields, and/or from the

chiefs/heads of appropriate units under the Office. Other working personnel as required by those

Committees may be appointed according to the quota of appropriate personnel specified in this

Statute.

#### Article 12

In order to meet its operational requirements, the Office may set up different committees, with the

working personnel required to be appointed in accordance with the quota of appropriate personnel

specified in this Statute.

#### Article 13

In order to meet its special operational requirements, the Office may invite, with no pay, relevant

scholars and experts to act as consultants or advisors to the Office.

#### Article 14

The Office may, contingent upon operational requirement(s), set up branch office(s) in appropriate

district(s), with the working personnel required to be appointed in accordance with the quota of

appropriate personnel specified in this Statute.

#### Article 15

With regard to the personnel whose job titles and position ranks are specified respectively in Article

6 through Article 10 of this Statute, appointment of appropriate personnel to fulfill the different

organizational positions shall be considered in accordance with Article 8 of the Law for Appointment of Public Functionaries and the provisions of relevant laws and regulations and be

effected by making reference to the applicable categories of personal specialties.

#### Article 16

The Office may, in order to meet its operational requirements, initiate employment of professional

personnel in accordance with the provisions of the Statute for the Employees.

#### Article 16-1

The employees, as stated in the preceding Article, who are in charge of patent/trademark examination, shall fulfill the qualifications prescribed by the Executive Yuan.

#### Article 17

The Office may, in order to meet its requirements for patent examination, initiate employment of

scholars and experts in related fields to be part-time patent examiners.

#### Article 18

The implementing by-laws of the Office shall be drawn up and submitted to the Ministry of

Economic Affairs for its approval.

#### Article 19

The enforcement date of this Statute shall be determined by the Executive Yuan.

The revised provisions of this Statute shall become effective from the date of promulgation.
