Title :	Labeling Criteria for Toy Goods Ch
Date :	2004.07.02
Legislative :	1.Promulgated on August 18, 1993 2.Amended on October 11, 1995 3.Amended on July 2, 2004
Content :	<p>1.This Criteria is established in accordance with Article 12 of the Commodity Labelling Law to promote labelling of toys, maintain the reputation of producers and the right and interests of consumers as well as the safety of toy users; provided that the labelling of toys to be exported may be in accordance with the applicable regulations of the importing country and the applicable export regulations of the Republic of China.</p> <p>2.For the purpose of this Criteria, the term "toys" denotes objects designed for children below the age of 14 to play with, including dolls, building blocks, children's carts, hobby toys and combination toys.</p> <p>3.Labelling requirements of toy goods shall be as follows: (1)Name of the toy; (2)Name, address, phone number and uniform business code of the manufacturer; if the toy is imported, the name, address, phone number and uniform business code of the sales agent, importer or distributor, as well as the name and address of the manufacturer at place of origin and the name of the country of origin shall be labelled; (3)Major ingredients or materials; (4)Applicable age; (5)Methods of use or matters for caution; (6)A warning or special warning notice shall be labelled if hazards to the safety or health of users are apprehended.</p> <p>4.Toy goods shall be labelled in the manner described below: (1)In principle, labelling in respect of toys offered for sale in the market shall appear on the toy per se; provided that if labelling on the toy per se is unlikely, the labelling shall either appear on the package or product literature or in such form that may be applied to the toy. (2)Toys shall be labelled mainly in the Chinese language supplemented in any foreign language. (3)Toys shall be labelled in clear, concise and legible letters or words or in pictorial form. (4)With respect to export-oriented toys re-designated for sale in the domestic market, a Chinese label or product literature shall be attached in accordance with Article 7 of the Commodity Labelling Law. (5)Imported toys for sale in the domestic market shall be labelled and product literature or warning notice shall be attached in accordance with the second and third paragraphs of Article 24 of the Consumer Protection Law, with the contents of the notice and product literature not simpler than those in use in their place of origin. (6)Letters used for warning labelling purposes shall be in such color different from that of the background</p>

on which they are printed and shall be easily identifiable. The word "warning" or "caution" shall be printed

in such type of a size larger than 5mm*5mm, with legends at least 1.5mm*1.5mm in size.
