Article 2
The verification agency (institution) mentioned in these Standards shall mean the dedicated weights and measures authority, its branches, or any other government agencies or institutions commissioned by the dedicated weights and measures authority.

Article 3
The fees for weights and measuring instruments as referred to in these Standards shall mean the following:
1. Verification fee;
2.Appraisal fee;
3. Type approval fee;
4. Assessment fee;
5. Calibration fee;
6. Certificate and License fee;
7. Permit fee;
8. Registration fee; and
9.Calibration fee for weights.
10. Certification Fee
Fees shall be collected in New Taiwan Dollars. The total sum shall be rounded-up to the closest dollar value.

Chapter II Verification Fee
Article 4
An NTD 500 on-site verification fee for each person each time shall be collected by the verification agency (institution) for dispatching its personnel to conduct verification at the site of storage place of measuring instruments in accordance with Article 8 of the Regulations Governing Verification and Inspection of Measuring Instruments, except that the verification agency (institution) dispatch its personnel to perform the official business at the site of storage or installation place of measuring instruments where they receive an application for verification then and complete the verification within the same day.
If the personnel performing the official business as referred to in the preceding paragraph cannot commute to the place of verification and back within the same day or has to commute between different branches, the on-site fees shall be collected in accordance with the costs and expenses set forth in the Directions Governing Domestic Business Travel Expenses.

Article 5
The verification fee for taximeters shall be NTD 35 per set of stationed taximeters and NTD 200 for simulated-road verification and road verification per set.
In item (1), the verification fee for simulated-road verification and road verification shall come into force on 1 July 2013.

Article 6
The verification fees for weighing instrument are shown in Annex 1.

Article 7
The verification fee for non invasive automated sphygmomanometers is NTD 15 per set.

Article 8
The verification fees for metal graduated measuring pails and tanks are shown in Annex 2.

Article 9
The verification fees for diaphragm gas meters are shown in Annex 3. If the applicant requests for verification conducted with its own verification equipment and the verification is conducted one by one by the dedicated weights and measures authority or its branches, the verification fee shall be charged in the amount of two-fifths of the total verification fee payable for the declared quantity of measuring instruments under application.

Article 10
The verification fees for water meters are shown in Annex 4. If the applicant requests for verification conducted with its own verification equipment and the verification is conducted one by one by the dedicated weights and measures authority or its branches, the verification fee shall be charged in the amount of two-fifths of the total verification fee payable for the declared quantity of measuring instruments under application.

Article 11
The verification fees for oil meters are shown in Annex 5.

Article 12
The verification fee for liquefied petroleum gas flow meters is NTD 2,000 per set.

Article 12-1
The verification fee for Air to liquid volumetric ratio (A/L) measuring instruments with only one set of connecting device is NTD 4,300 per set.
In case of one host with more than one set of connecting device applying for verification at the same time, each additional set of connecting device will be charged NTD3,000.

Article 13
The verification fee for milk hydrometers is NTD 8 per set.

Article 14
The verification fees for electricity meters are shown in Annex 6, and the verification fees for transformers matched with electricity meters are shown in Annex 7.

Article 15
The verification fee for radar speedometers is NTD 5,000 per set.

Article 16
The verification fee for sound level meters is NTD 7,900 per set and Octave-band filters is NTD 3,200 per set which enter into force on January 1, 2017.
The verification fee for sound level meters passed verification prior to the December 31, 2016, is NTD 4,800 per set.

Article 17

The verification fee for breath alcohol testers is NTD 11,500 per set for new testers, or NTD 8,200 per set for tester in-use; the verification fee for evidential breath alcohol analyzers is NTD 12,700 per set for new analyzers, or NTD 11,200 per set for analyzers in-use.
The verification fee mentioned in the preceding Paragraph enters into force on January 1, 2015.
By December 31, 2017, the verification fee for breath analyzers passed for initial verification prior to the December 31, 2014, is NTD 9,400 per set.

Article 18
The verification fee for rice grain moisture meters is NTD 2,400 per set.

Article 18-1
The verification fee for corn moisture meters is NTD 3,400 per set.

Article 19
The verification fee for vehicle exhaust emissions analyzers is NTD 7,000 per set for new analyzers, or NTD 5,050 per set for analyzers in-use.

Article 20
The verification fee for illuminance meters is NTD 3,700 per set for new meters, or NTD 3,300 per set for in-use meters.

Article 21
The verification fee for thermometers is NTD 2 per set.

Article 22
For verification conducted by an organization on its own, the verification fee shall be charged in the amount of one-fifth of the total verification fee payable for the quantity of measuring instruments under
application.

Article 22-1
The verification fee for Laser speedometers is NTD 4,500 per set.

Article 22-2
The verification fee for inductive loop speedometers is described as follows:
1. The verification fee for the controller cabinet of inductive loop speedometers is NTD 4,200 per set for new speedometers, or NTD 3,200 per set for speedometers in-use.
2. The base verification fee for the inductive loop of inductive loop speedometers is NTD 6,700; one lane at each site. For each additional lane at the same place of verification, additional NTD 500 shall be charged.

Article 22-3
The verification fee for average speed control devices is described as follows:
In case of a single road section is NTD 50,000 per set.
In case of a two-way road section application at the same time, the two sets are NTD 80,000 in total.

Chapter III Appraisal Fee

Article 23
The appraisal fees for water meters are shown in Annex 8.

Article 24
The appraisal fee for electricity meters is described as follows:
1. Watt-hour meters and static electricity meters exclusively functioning watt-hour measurement: NTD 1,800 per set;
2. Var-hour meters and static electricity meters exclusively functioning var-hour measurement: NTD 1,800 per set;
3. Watt-hour demand meters and static electricity meters exclusively functioning watt-hour demand measurement: NTD 2,300 per set; and
4. Transformer matched with electricity meters: NTD 3,200 per set.

Article 25
The appraisal fee for diaphragm gas meters is NTD 1,300 per set.

Chapter IV Type Approval Fee and Assessment Fee
Article 26
The type approval fee for measuring instruments is NTD 5,000 per set.
The series type approval fee for measuring instruments is NTD 3,000 per set.

Article 26-1
The extension of the validity of type approval or series type approval fee for measuring instruments is NTD 5,000 per set.

Article 27
For measuring instrument laboratories that apply for becoming designated laboratories, the assessment fee shall be charged on the basis of NTD 8,000 per man-day; the same shall apply for re-assessment.
An assessment fee of NTD 4,000 shall be charged for assessments conducted in less than four (4) hours.
An assessment fee of NTD 2,000 shall be charged for assessments conducted to applications made in accordance with Article 16 of the Regulations Governing the Recognition of the Designated Testing Laboratory for Measuring Instruments.

Chapter V Calibration Fee
Article 28
The calibration fees for measuring instrument by national measurement laboratories are shown in Annex 9. The calibration fee shall be doubled for cases that the applicant requests for urgent processing.

Article 29
The calibration fees for measuring instrument conducted by the dedicated weights and measures authority and its branches are shown in Annex 10. An additional fee of NTD 450 shall be charged for every application case, except for pressure gauges, vernier calipers and micrometers.

Article 29-1
An on-site calibration fee of NTD 500 per person-time shall be charged for calibration conducted

by
personnel dispatched by the dedicated weights and measures authority or its branches at the storage place of measuring instruments. If the person cannot commute to the place of calibration and back within the same day, the calibration fees shall be collected in accordance with the costs and expenses set forth in the Directions Governing Domestic Business Travel Expenses.

Chapter VI Other Fees

Article 30

Except the certificate fee of NTD 500 for metrological technical personnel certificates, certificate and license fees for certificates or licenses issued in accordance with provisions of the Act shall be NTD 1,000. The same shall apply for issuing replacement or renewed certificates or licenses.
