Other electronic documents that must be applied for by written documents as publicly announced by the TITA.</li></ol>The procedural methods in the aforementioned proviso shall be publicly announced by the TITA.</p> <p><b>Article 5</b> Before applying for electronic documents on the TITA website, the applicant must first access the TITA website and apply to the TITA for a user ID and password, except if the applicant is using a Certification Authority IC Card issued by the Ministry of Economic Affairs. The applicant must submit relevant approval documents unless it is a government agency or state-run enterprise, or the applicant is not a qualified importer/exporter.</p>

#### Article 6

Required documents (or copies thereof) shall be sent by postal mail, faxed, or e-mailed by the applicant; otherwise, the applicant shall apply by means of electronic data transfer mentioned in Article 2 under the import/export regulations of the TITA. The document receipt numbers, along with the signature and/or seal of the applicant or person responsible, shall be affixed on each of the documents. If necessary, the original materials shall be provided to the TITA for verification. When the contents of written documents are converted to the electronic data standard message format for electronic documents, the applicant is exempt from the requirement to submit written documents.

#### Article 7

The electronic application form shall be considered successfully delivered to the TITA once it is recorded into the TITA computers. Applicants who apply for electronic licensing applications through the TITA website may check the processing status of their applications through the Internet. If applicants who apply for electronic licensing applications through the Facile Trade Net need to check the processing status of their applications, they should apply to the TITA for a user ID and password in accordance with the provisions of Article 5 of these Regulations.

#### Article 8

Written forms of all electronic documents approved by the TITA shall be issued to applicants, except the following items:

1. Export/Import Permits,
2. Optical Disk Manufacturing Implement Export/Import Declarations,
3. Export Permits of Strategic High-Tech Commodities,
4. Other electronic documents announced by the TITA.

#### Article 9

These Regulations shall enter into force from the date of promulgation.
